New Website

- Christian Rebeschke invested some serious time
- Want to publish our slides and talks there
- Check it out at: muc.sre.xyz!

Feedback from the last session

- Quality of talks: 35% really good, 50% good, 15% meh (rating 1-5)
- Length: 71% spot on, 29% a bit too short
- Most folks gave all three talks from the last session a very good or good rating
- 92% agreed to join again

Participation!

- Meetups are communities that create engagement!
- We're always looking for talks!
- We're always looking for hosting companies!
- Building a community needs YOU!
